APPROVAL OF PRODUCT : M/S PARAGON CABLE INDIA, NEW DELHI

1. M/S Paragon Cable India, New Delhi are manufacturers of ISI marked LT PVC/XLPE Wires and Cables, copper conductor, armoured/unarmoured cables and flexible wires.. The brand name of their Product is 'ELECTRON'. They have approached this HQ for incorporating their products in the works being carried out under the jurisdiction of this Zone.

2. The firm provided all the technical literature and catalogues. Approval of Chief Engineer is hereby accorded to use the Products manufactured by the firm by including the same in the wks being planned by CsWE/GE's/AGE(I)'s. The approval is valid for two year from the date of issue of this letter. Further continuation, if any, will be taken based on the performance furnished by the CsWE/GE's/AGE(I)'s.

4. The approval does not absolve the executives / supervisory staff from their responsibility for using correct quality product. It is only after they are satisfied about quality and the performance, the product will be used. Mandatory checks about the quality will be carried out as laid down and the records of the same be maintained.

5. Any further details may be obtained from the firm on the address :-
